City of Surprise	Represents the municipal agencies and departments of the City of Surprise.
City of Tempe	Represents the municipal agencies and departments of the City of Tempe.
City of Tolleson	Represents the municipal agencies and departments of the City of Tolleson.
East Valley Senior Services	Provides comprehensive programs and services to seniors. Operates the East Valley RIDEChoice, which offers seniors and disabled individuals five options for non-emergency transportation services, including: bus fare discounts, mileage reimbursement, coupons for cabs, Maricopa STS, and East Valley Dial-A-Ride.
Flood Control District of Maricopa County	The Flood Control District of Maricopa County provides flood hazard identification, prevention, regulation and remediation to reduce the risk of injury, loss of life and property damage from flooding in Maricopa County.
Fort McDowell Yavapai Nation	Represents the municipal agencies and departments of Fort McDowell Yavapai Nation.
Gila River Indian Community	Represents the agencies and departments of the Gila River Indian Community.
Independent Fare Collection Clearinghouse	Operators of independent transit fare collection clearinghouses for transit agencies.
Independent School Districts	Public school districts within the Region. The districts have been included primarily for their role in emergency evacuations where school buses are utilized.
Local Cities and Municipalities	Represents those local cities, municipalities and towns in the region whose traffic management centers and roadway devices are not specifically called out in the regional ITS architecture.
Local Transit Providers	Represents other local transit providers not explicitly called out in the regional ITS architecture. This includes providers of local fixed-route shuttle buses paratransit services and dial-a-ride services.

<i>ITS Stakeholders</i>	<i>Description</i>
Maricopa Association of Governments (MAG)	The Maricopa Association of Governments (MAG) is a Council of Governments (COG) that serves as the regional agency for the metropolitan Phoenix area. MAG is also the designated metropolitan planning organization (MPO) for transportation planning in the Maricopa County region.
Maricopa County Department of Emergency Management	The Maricopa County Department of Emergency Management coordinates response and recovery activities through implementation of emergency response plans during and after emergencies. Implementation requires the support and assistance of many other county departments, local jurisdictions, the private sector and volunteer agencies.
Maricopa County Department of Transportation	Operates and maintains the transportation infrastructure in the unincorporated areas of the county.
Maricopa County Sheriffs Office	Law enforcement agency for Maricopa County.
Media	Owner/operators of communications media including television, cable TV, radio, and newspapers.
NOAA	National Oceanic and Atmospheric Administration (includes the National Weather Service).
Private Traveler Information Providers	Local, regional and national information service providers, such as SmartRoutes or Metro Traffic, that provide travel information to the traveling public (both subscription service and general broadcast information). Includes internet sites, service bureaus, etc.
Public Safety Providers	Represents other public safety providers not specifically called out in the MAG Regional ITS Architecture.
Rail Operators	Operators of private rail systems (e.g. BNSF), including freight.

Travelers	Traveling public accessing various modes of transportation, including surface street, air, rail/transit, and non-motorized.
Valley Metro	Operates and maintains the regional transit system in the Phoenix metropolitan area. Under the Valley Metro umbrella, bus and Light Rail services are provided. Previously, Valley Metro was a brand name under which the Regional Public Transportation Authority (RPTA) was a consortium of local governments joined to fund the Valley-wide integrated bus transit system. METRO Light Rail is the name for Valley Metro Rail Inc., a nonprofit, public corporation charged with the design, construction and operation of the Metropolitan Phoenix Valley's light rail system. RPTA bus service and METRO Light Rail services are now combined under one Valley Metro agency. For the purposes of this architecture, Valley Metro inventory items describe bus services and METRO Light Rail items describe Light Rail services.
